Excellent Producer Hog Building Training

Once you've completed the questionnaire and finished the educational portion, you'll receive a 5% premium discount on all hog buildings on your policy.

Here's how to complete it:

1. Go to fmiahull.com/pork-producer-portal or scan this qr code
2. Enter your policy number and name to get started
 - Policy Number: **Agent**
 - Name: **Your Name**
3. Read the short article
4. Watch the video
5. Answer the questions about your hog building's equipment, ventilation, and manure management

If you have multiple hog buildings, you only need to submit one questionnaire — just answer the questions as they apply to your barns in general. We don't need details on each barn individually.

That's it! Thank you for taking the time to complete these steps and for wanting to learn more — it genuinely helps keep your barn running safely and prevents costly losses.
