Farmers Mutual is excited to invite you to complete our Hog Building Training and earn a 5% premium discount on all your hog buildings

Excellent Producer Hog Building Training

Here's how to complete it:

1. Go to fmiahull.com/pork-producer-portal or scan this qr code
2. Enter your policy number and name to get started
3. Read the short article
4. Watch the video
5. Answer the questions about your hog building's equipment, ventilation, and manure management

If you have multiple hog buildings, you only need to submit one questionnaire — just answer the questions as they apply to your barns in general. We don't need details on each barn individually.

That's it! Thank you for taking the time to complete these steps and for wanting to learn more — it genuinely helps keep your barn running safely and prevents costly losses.
